From the exotic lands of the Arabian Nights, Mosaic Dance Theater Company’s Caravan to Cairo brings you traditional original folkloric dances from the lands which stretch from the Magreb (the North African countries of Morocco and Tunisia) across the sands of the Sahara (Egypt, Algeria) touching the richness of the Mediterranean coast (Lebanon, Jordan) to the Muscat (the Arabian Gulf of Saudi Arabia). Choreographed by Samara, one of today’s finest international performers of Middle Eastern dance, this delightful dance journey through the Near East offers a diversity of engaging styles and rhythms, lavish, colorful costumes, and features a charming story-theater adaptation of a folktale from the Near East. A short, interactive dance lesson and a Q&A with the cast add to the fun. Designed to bring cultural awareness of the dances and the music of North Africa and Middle East to school and family audiences, this critically acclaimed program can also provide classroom teaching artist workshops and residencies. Mosaic Dance Theater Company is a unique dance company dedicated to performing the dance arts of the Mediterranean region—North Africa, the Middle East, Turkey, Greece, Italy, and Spain. A fabulous cargo of dance from the rich cultures of North Africa and the Middle East is the treasure which awaits you, as you board the Caravan to Cairo! Join us in celebrating the Mediterranean’s lively arts!
